What is not covered.

Incidental damages include, but are not limited to, such damages as loss of time and loss of use. Consequential damages include, but are not limited to, the cost of repairing or replacing other property which was damaged, or lost profits, if this product does not work properly.

What we will do to correct problems.

Within the terms of the warranty, we will, at our discretion, repair or replace the faulty component at no cost to the customer.

How state law relates to the warranty.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply if the applicable state prohibits or limits some or all of the exclusions. This warranty gives the customer specific rights, and other rights may be present which vary from state to state.

This warranty is valid in U.S.A. only.
